

* The customer pick-up/drop-off process is usually 1 to 2 minutes. Please allow additional time if you need to spend it on the lot reorganizing luggage, repacking belongings etc.

* Please proceed directly to your P&S cashier assigned parking section. . this will expedite you being taken to the airport in a timely and efficient manner.

* Remember to put your white mag-stripped parking ticket in a safe place, out of direct sunlight (as direct sunlight ruins the magnetic strip and renders your ticket unreadable).

* So that you do not have to take a "Round Trip" back to our parking lot, because you "forgot something". Please remember to leave all TSA prohibited items in your parked vehicle and remember to take all necessary items for your trip with you. . .i.e. cellphones, tickets, personal items etc. For additional travel information, access the following link. <http://www.tsa.gov/travelers/index.shtm>

* In the event of bad weather upon your arrival at Park & Shuttle, please stay in your vehicle and press on your brake pedal in a repetitive manner to alert the shuttle driver as to your location.

* When you are picked up at the lot, you will be given an orange locator card with your parked vehicle location. This card goes with you and will be given to your shuttle driver when you board our shuttle at the airport lower level upon your arrival in Albuquerque.

* When you are approaching the cashier's booth to pay your bill, please have any coupons, corporate/membership ID's and/or discount cards ready for the cashier. If you don't have your payment ticket available. . Your flight itinerary will substitute to verify the length of your stay on our premises. Please keep your payment stub and travel itinerary in a safe place for an expedient check out.
